

## **TASK:**

- a) Think of a **position / job** you would like to apply for.
- b) Think of a **company** you would like to work for.
  
- c) Now imagine that one of you is an interviewer and the other one (two / three) is (are) an applicant (applicants). Role-play a mock job interview including the following questions (but also oddball questions). The order of questions is up to you. Feel free to ask your candidate(s) any other questions you find applicable.  
Your job as an interviewer is to choose the best candidate for the position. You should break the news (who's going to be hired) at the end of an interview.

1. What position are you applying for?
2. Tell me about yourself.
3. Why do you want to work here?
4. What do you know about our company so far?
5. Why did you leave your last job?
6. Tell me about your responsibilities/duties at your last job.
7. What experience do you have managing people.
8. Are you a good negotiator? When was the last time you had to negotiate something?
9. Tell me about your greatest strength.
10. Tell me about your greatest weaknesses.
11. Tell me about a time you had to deal with a stressful situation.
12. What salary range are you looking for?
13. What has been your biggest professional achievement so far?
14. What has been your biggest professional failure so far?
15. Give us a good reason to hire you.
