

TASK: Work in pairs. Make some conditional sentences using the following cues.

e.g.

relight – continue

If the engine **relights**, we **will continue** our flight.

1. icing - climb
2. pain – nearest
3. re-pressurize – descent
4. smoke – declare
5. severe storm – heading
6. visibility – visual
7. gear down – low pass
8. *vibrations – engine parameters
9. *lose PFD – standby instruments
10. *hydraulic fault – checklists
